

Mbala Pony Club / Pegasus Vaulting Club

We try to introduce the children to as many of the Equestrian disciplines as possible as well as teaching them about care for horses and team spirit.

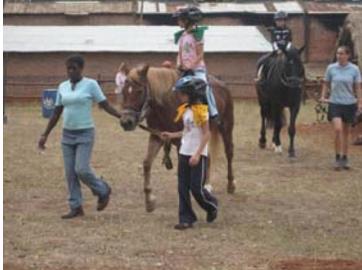

Pony club and Vaulting are very popular days for spectators.

We like to try out all sorts of things to familiarise the children and to enable them to grow in confidence when handling and riding their ponies and horses.

Vaulting combines good balance, coordination, dance, fun and team spirit along with love for horses all in one.

And they always enjoy a good boogie!

Thank you for playing a part in enhancing our lives. We hope you enjoyed seeing us in action!
